Let's play Facebook BINGO!!!

Starting September 1st we will be playing Bingo on the **SAWGRASS/HOA/SOCIAL/OFFICE** Facebook page.

To play you will need to stop by the office between 9am-4pm Monday-Friday to pick up a bingo card and be a part of the **SAWGRASS/HOA/SOCIAL/OFFICE** Facebook group.

Monday-Friday (minus Labor Day) we will be posting 2 bingo numbers each day until we have a winner! If you are the winner stop by the office with your bingo card to confirm your numbers and collect your winnings! Once we have a winner, we'll start the game all over again. The layout of each game will be posted with the daily numbers.

If you're having difficulties joining the **SAWGRASS/HOA/SOCIAL/OFFICE** give us a call, we can help. Remember this group is for residents (homeowners) only.

ROAD CLOSED

Please be advised, we will be sealcoating the asphalt throughout the community the week of **September 22nd –September 25th**. The sealcoating process will be done in three stages. Please reference the attached map detailing the scheduled day specific areas will be restricted. Each area will be affected for 24hrs, one day we will seal one whole side of the street and the next day we will seal the opposite side. Each section will be closed for 24 hours (8am to 8am, the following day). Residents that need to utilize their vehicle during their scheduled section will be allowed to park on the opposite side of their street. You must be parked on the street or at the Clubhouse by 8 am.

Please do not schedule any deliveries or installations on the day's sealcoating is being completed in your area, since they will not have direct access to your home. We will keep you updated in the event of any scheduling delays due to inclement weather. This is going to be a significant undertaking and we will need everyone's cooperation to ensure as little disruption as possible. We thank you in advance for your cooperation. We will update you daily during this process. We will be contacting all RV storage spot owners separately as this area will be done in two stages. Please call us with any questions or concerns.
